

GeneXpert®

With the GeneXpert® System and the Xpert® test menu, Cepheid delivers actionable results when clinicians need them most.

Healthcare professionals know that better patient care starts with rapid diagnostic testing made available around the clock — it's just good medicine.

defining *on-demand* molecular diagnostics

GeneXpert® System Clinical CE-IVD Test Menu

 <p>Xpert® MRSA Redefining Active MRSA Surveillance</p> <p>Hands-on Time: 2 min Assay Run Time: 66 min</p> <p>Number of Tests: 10 or 120</p>	<p>Xpert® Flu A Panel Detection of Flu A and identification of 2009 H1N1 novel in less than one hour</p> <p>Hands-on Time: 2 min Assay Run Time: 50 min</p> <p>Number of Tests: 10</p> 
 <p>Xpert® MRSA/SA Nasal Pre-surgical testing of <i>S. aureus</i> and MRSA</p> <p>Hands-on Time: 2 min Assay Run Time: 56 min</p> <p>Number of Tests: 10</p>	<p>Xpert® EV Rapid molecular diagnostic test for enteroviral meningitis</p> <p>Hands-on Time: 5 min Assay Run Time: 150 min</p> <p>Number of Tests: 10</p> 
 <p>Xpert® MRSA/SA SSTI Detect MRSA & SA Skin and Soft Tissue Infections</p> <p>Hands-on Time: 2 min Assay Run Time: 56 min</p> <p>Number of Tests: 10</p>	<p>Xpert® MTB/RIF Two hour detection of MTB and resistance to rifampicin</p> <p>Hands-on Time: 2 min Incubation Time: 15 min Assay Run Time: 90 min</p> <p>Number of Tests: 10</p> 
 <p>Xpert® MRSA/SA BC One-Hour Detection of Life Threatening MRSA and SA in Positive Patient Blood Culture Bottles</p> <p>Hands-on Time: 2 min Assay Run Time: 56 min</p> <p>Number of Tests: 10</p>	<p>Xpert® GBS Revolutionizing Group B <i>Streptococcus</i> Testing</p> <p>Hands-on Time: 2 min Assay Run Time: 52 min</p> <p>Number of Tests: 10</p> 
 <p>Xpert® <i>C. difficile</i> Accurate detection of <i>C. difficile</i> In Less Than One Hour</p> <p>Hands-on Time: 2 min Assay Run Time: 45 min</p> <p>Number of Tests: 10</p>	<p>Xpert® BCR-ABL Simplified, rapid testing for Improved CML Patient Management</p> <p>Hands-on Time: 5 min Assay Run Time: 140 min</p> <p>Number of Tests: 10</p> 
 <p>Xpert® <i>vanA/vanB</i> Screening for VRE In Less Than One Hour</p> <p>Hands-on Time: 2 min Assay Run Time: 45 min</p> <p>Number of Tests: 10</p>	<p>Xpert® HemosIL® FII & FV Diagnostic test to detect factor II and factor V Leiden genetic variations associated with thrombophilia</p> <p><i>*Exclusively distributed by Instrumentation Laboratory</i></p> <p>Hands-on Time: 2 min Assay Run Time: 30 min</p> <p>Number of Tests: 10</p>
